

WOÖF & wine

SPONSORSHIP OPPORTUNITIES

Roger

Event Sponsors Save Lives!

Sponsors help us raise funds that go towards medical care for animals like Roger.

Roger came to us with a serious heart condition that required a costly (and risky!) procedure. He deserved the chance to live a full & happy life, so we elected to move forward, and we are so glad we did. During his recovery, his foster family fell in love with him & adopted him, and now he is healthy and happy in his forever home!

Due to the ongoing global crisis, we must regretfully cancel our largest annual fundraiser, the Woof & Wine event. While we understand that the pandemic poses economic challenges for everyone, we are reaching out to you as a past sponsor or community partner of Woof & Wine to ask for your help in continuing to care for the animals at the shelter. Taking into consideration that we cannot have a physical event, we have reduced the sponsorship packages significantly from their normal levels. Each year, we rely on the funds raised at Woof & Wine to cover medical care for our animals throughout the entire year. If you are able to offer financial support to our shelter during these difficult times, please consider one of the sponsorships below to help us with our ongoing medical and operational costs. HSSPV and our animals will be truly grateful for any support you can offer our organization at this time.
